

Pediatric

HOME CARE SERVICES

Childhood Is 24/7. So Is Our Care.

At Advanced Home Health Care, we're here to help you enjoy each precious moment with your child by providing the dedicated care that he or she needs, 24 hours a day, 7 days a week.

We provide a variety of personalized pediatric care services, including:

- Skilled pediatric nursing care
- Oxygen monitoring
- Medication administration
- Personal care
- Speech, physical and occupational therapy
- Feeding tube care
- Wound care
- And much more

Exceptional Care and Family Support

We know that your child's care needs don't stop and neither does our care and support. Advanced Home Health Care provides the most highly skilled clinicians for children who require medical assistance at home and even at school, 24 hours a day, 7 days a week.

As a Medicare and Medicaid certified home health agency, we accept the following financial programs:

- EPSDT (Early and Periodic Screening, Diagnosis and Treatment)
- IMMT (Interim Medical Monitoring and Treatment)
- AIDS/HIV Waiver
- Health and Disability Waiver
- Intellectual Disabilities Waiver
- Physical Disability Waiver
- Brain Injury Waiver

We also accept traditional health insurance and help families navigate all of their financial options. Contact Advanced Home Health Care today to learn more about our pediatric home care services!
